Hi Sharon,

We've had a really good year in Business and English I hope you have a great, super, and fantastic summer and you're in more of my classes next year. Love

Jen

Sharon,
This year was a real summer in the district (Especially gym) until I became letter principal. Now schools not so bad. Especially gym!

Thanks for 1/2 a good year

Lot of Love

Dear Sharon
He made a good
time. I'm sorry I didn't
come. I hope I can
see you in the summer.
Keep your hands off all the
guys (that's all I like)
of them. Love always

Hi Sharon
wow, I don't know any funny
poems to say or any funny
jokes or any funny lines, or
any funny pictures to make, but
I just don't know anything funny.
I'm glad you sat beside me
to ease me through all the hardships
of math. Have a good summer and keep
on roller skating. Yours forever
P.S. You owe me about 30 sheet of paper. Murnan

Hi Marion,

So, this year we're given pretty good friends to see you through the 9th year. Good luck, see you later.

NAME IN PRINT

*I could write
your name
between brocade
on illuminated pages
in elegant black ink
it would appear
again and again
in loops in curves
in notebooks
on conservative white paper
but never in the sand --*

*I don't want it (or you)
to disappear;
besides, I don't
really like romance,
and no one
wants to be immortalized
in an ocean.*

Heather Tisdale

LOVE SONG

*We are as the dolls of a bygone day.
I, a soft poppet made of rags
Which could be held dear to your heart
And handled roughly with the brutal love of a child,
Were it not for fragile, porcelain features
That shatter at a sharp blow.*

*You are the rock of my existence.
My solid, indestructable tin soldier
Who can shed no tears or even
Change expression in tender moment.
Even as your cold hand reaches for mine,
I know you to be incapable of emotion
For your heart is of lead.*

*Ours is a strange match.
To embrace is not for us possible.
I am for warm, tender, childlike love
Which I search from you in vain
For your purpose is the destruction of souls.*

Barb Ozimek

Second

OPUS

*The summer sun is silent as a smile
The four winds whisper secrets urgently
The cosmic clock is ticking round the dial
The River courses change, but reach the sea*

*For us, our wandering paths cross the globe
A map of future courses is unfurled
The stars themselves cannot turn Fate aside*

*Our time together's short and flying on
We count each falling grain within the glass
Beneath, a desert spreads; and soon is gone
And Time turns round, as all things come to pass*

*We must extract such from this as we can
Knowledge, Love; the priceless treasures here
Ere winter winds will blow the desert sands
Into voids as silent as a bitter tear.*

John Nesbit

Fourth

THE SURVIVOR

*Can I see a glimmer of light ahead?
Has the world not ended?
The haze is less obscuring,
My eyes are drying,
and are beginning to see again.
My mind begins to understand.
My heart may mend after all.*

The rose

*Can the pain subside into a memory?
Do I wish to keep it locked up in a memory?
I do not know.
I am missing something that is irreplaceable.
I feel the loss inside.
But the time has come to rise and continue.
I must start my new life.*

*What is happening?
The light is growing strong.
It blinds me.
But what is this heavenly glow?
Do you think it could be,
Hope?*

Peggy Hill

W.O.S.S. LINGO

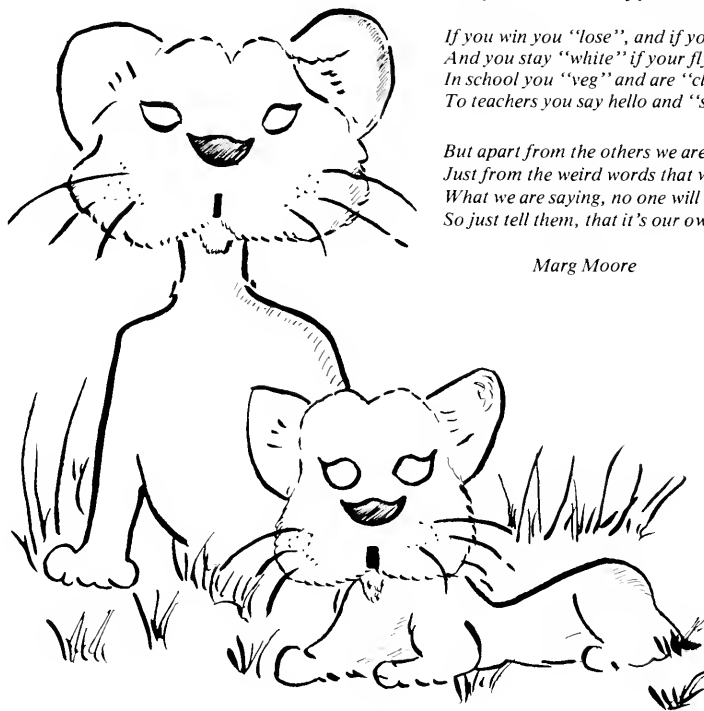

*There is a language in our school
That we speak to make us cool
Our words are opposite to what they mean
Like, picking your nose is really "clean"
Someone "pit" is a handsome brute
A zit faced creature is someone "cute"*

*A straight A's student is labelled "dumb-ed"
A conceited person, has a small "head"
You can "G.A.D." and "care" about your homework
And you are "norm" if you act like a jerk*

*If you win you "lose", and if you lose you "win"
And you stay "white" if your fly is undone
In school you "veg" and are "cluded in"
To teachers you say hello and "spin"*

*But apart from the others we are unique
Just from the weird words that we all speak
What we are saying, no one will ever know
So just tell them, that it's our own "W.O.S.S. LINGO"*

BLACKBOARD

*As I come in, I see you.
Your dark, staring, shiny, so clean,
Today you'll say an awful lot.
But what will your messages mean?*

*I'll be in the room a while,
I'll write, listen and learn.
Now your face is getting cloudy,
The class is called adjourned.*

*You'll probably see a million faces,
As the clock goes whirling round,
Yet in the class you'll always be,
And on the wall be found.*

Caroline Solonenko.

*Walls of cement and brick can be broken down into slivers
that will be eventually be blown away as dust.*

*Existence creates artificial barriers which, as blockades and
subconscious shields, are not as easily overcome.
Reach into the back of your mind and rip out a thought.*

*Torment it, as it has tormented you, and as it lies broken and
bewildered, laugh and walk away.*

Reap on the glory of vengeance!

Become insane, for insanity avoids self destruction.

*If things become cloudy, take off your shades and stare into
the sun.*

*The heat will penetrate into your mind and melt un-
controllable fantasies.*

*Never, never, face reality, for it is colder and far less familiar
to you than your dreams are.*

Believe you are right, when all others convict you.

*Above all, be a friend to yourself, so that you will remain the
only one left who has someone to count on, when all others
betray.*

Marilyn Betka

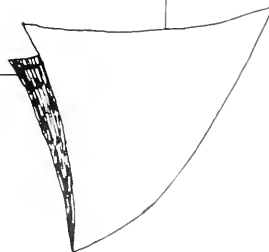

HOW DOES IT FEEL

*I stare at him,
He looks,
I turn,
He smiles,
I feel such pity,
He turns,
I stare
As he wheels his wheel chair
down the hall.*

J. Coryell: To the students of W.O.S.S. — I came here to teach English and French. I learned another language — and it wasn't German! It was a language unique to W.O.S.S. Some of it I couldn't say without saying "white." Some I still can't even pronounce! The difficulties I had in learning W.O.S.S. dialect made me appreciate the difficulties some students have in learning English and French. Thanks for the fresh perspectives! Mint!

D. Currie-Mills: You think my Ottawa Valley accent is noticeable? You should hear those who still live there. They sound even funnier than I do.

H. Guthrie: "Come, let us reason together."

P. Hadley: When you are faced with piles of homework and don't have any idea where to start, just remember, "The way to eat an elephant is one bite at a time."

P. Jackson: This is my third year in this school and I have loved every minute of it (slight exaggeration). I go wild over small classes and extra help. I'm crazy about big diagrams and straight lines. Those are big things in my life. Well, enough about myself, "For your entertainment, tonight's homework is . . ."

R. Lang: Are you seeking knowledge, pleasure, wealth, fame, power or prestige? Let me suggest that you consider humbly seeking wisdom and understanding. "The man who knows right from wrong (literally the man that finds wisdom) and has good judgment and common sense is happier than the man who is immensely rich! For such wisdom is far more valuable than precious jewels. Nothing else can compare with it. Wisdom gives a long good life, riches, honour, pleasure, and peace." (Proverbs 3:13-17 from the Living Bible Paraphrased).

W. McBurney: Many of my students found a new form of relaxation this year: USSR — uninterrupted, silent, sustained reading for fifteen minutes once a cycle. This reading was entirely for enjoyment: text books were not allowed. Many of us completed several books during the year. It was good to hear some students complain that fifteen minutes were not long enough. You might like to try this recreational approach to reading in your own spare time.

My role at White Oaks takes me from A wing to the Tech, and on out to the tennis courts. Last year Alex Hausner dubbed me the Jill of all trades: and recently a student, obviously a Yankee Fan, asked if I were the W.O.S.S. pinch-hitter. My personal plus is the large number of students I am privileged to get to know, and in a broad spectrum of activities. This week a student approached me bargaining to purchase my silver Celica. J. Salomon

A thought that has occurred to me again and again as I have watched one, and now part of a second year pass, is: how short our time together is and how much of it we squander. Some of the most interesting people I've ever met have been my students. I wish we could have gotten to know each other better, and shared our lives a little more completely, even if only for a while. In the classroom we were all trapped, in a sense, in a gigantic pressure cooker. We had time enough for business, but little enough time for pleasure. And so, as the year drew to a close, and our ships drew apart, we waved goodbye across the widening gulf that separated us. What a pity! We should have found time to relax with each other once in a while. To have a little chat, while circumstances made it possible. Perhaps those chats would have remained with us in memory a source of pleasure for years to come.

And so, to all my students: have a good summer. Enjoy yourselves. Come back next year, for a chat. I'll still be glad to see you.

Changes.

Times change. Styles change. And tastes change. What was "the look" at the beginning of the year might not be what you want now. That's where Simpsons comes in. Because we're aware of changes. Of the newest trends. And we keep up. With fashions for today and tomorrow. And Simpsons are making changes too. To make it easier for you, we've moved your boutiques to our second floor. We've made them brighter, more convenient. For your kind of fashion — your kind of changes. Come see.

Ladies and Gentlemen, Fellow Graduates, Monsieur Richardson.

High school graduation is a very important event in anyone's life. It is important to the student as it marks his or her successful completion of secondary school and it is important to the parents and friends of the student because they are proud to recognize this accomplishment. The valedictory address is a traditional part of the Graduation Ceremonies and tonight I feel honoured to represent this "Class of 78" in presenting their valediction.

Well, gang, teachers included, we've finally made it. Twenty-seven credits for grade twelve and six year five credits for grade thirteen. Nine hundred and thirty days of school, around sixty-five hundred hours, four summer holidays, and two hundred and sixty weekends. We've shared experiences that aren't likely to happen again, as many of those situations shouldn't have happened anyway. We've made friends and knew friends. There were those first formals with the cameras and the grandparents, and there were those first dances. There were those people who you always noticed because they were always there. There were those other people who made classes more fun to be in with their "muff diving" and dog howls. There were those examinations, seminars, science labs and blue slips, and now they are all over. We're leaving White Oaks.

This year the yearbook dedicated a full page to some of the highlights of our W.O.S.S. language, and now that we're leaving that means that the founding fathers of "mint", "would" and "gas" have left the school. The first half left last year and now the rest have left too. Our man with the lunch bucket's going and we couldn't get any more credits if we tried, so I guess that it is time to push off. Before we go, I would first like to thank Wendy Simpson, that blonde haired girl who used to get her picture taken on ten speeds and had lockers next to really strange cases, for introducing me tonight. Now I'd like to thank all the parents for being loving enough parents that they had children to send through White Oaks and be my friends. Finally I'd like to thank all the teachers and students because you are what made these years at W.O.S.S.

We'll meet again.

Thank you and good-bye.

This address was made by Lubin Bisson on June 29th, 1978 for the graduating class of '78.

Clubs

Chess

Back Row: Kent Ball, Mark Kingston, Chris Barnes, Chris Ng, Dennis Wark, Greg Pickes, Mark Jaab, Glenn Martin, Michael Hattley, Roger Lang. *Seated:* Jim Harman, Jon Smith.

This year the W.O.S.S. Chess Club has twenty members. Out of these twenty, the best of seven represent the school in the Halton Chess League. Two years ago, this team of seven were Halton Champions. Last year they were the Halton Peel Champions. This year they are doing very well by being on top of the Eastern League. The Chess Club plays every day, on lunches and study classes. They have one scheduled game a week. Good luck to all the members in the club.

Mr. Muhlstock,
Mr. Lang

Mass Media

The Mass Media Club meets once a week, after school. Members have a common interest in learning how to operate equipment such as the video tape recorder, 35 mm camera, super 8mm movie camera and projector, 16 mm projector, slide projector and tape recorders. The members decide the kinds of projects they wish to do. These may include television shows, movies, slide tape presentations, still photography or print material such as newspapers or magazines. There is also the opportunity to invite experts in the media as guest speakers or to view interesting films. This is a new club meeting this year for the first time so there are many opportunities, depending upon the interests of the members.

Student Council Executive

Student Council

President: Ray Battachio

Vice President: Lillian Pastuovic

Secretray: Wendy Hulton

Treasurer: Maureen O'Halloran

Social Convenor: Dean Wood

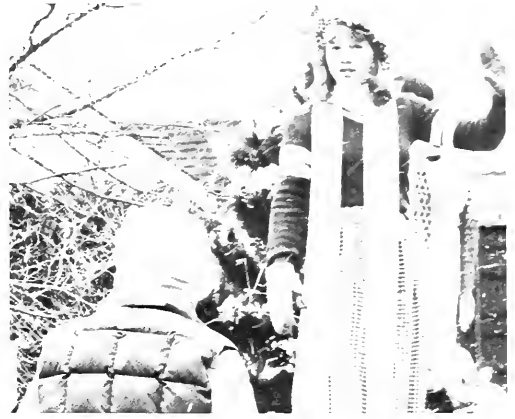

The student council is responsible for the running of student activities within the school. It is most active in fund raising, mainly for various charities. School dances are another prime responsibility of the council.

Representatives are elected by all homerooms to sit on the body of the council. The executive is elected by the student body. All action taken by the executive is first voted upon by the full council.

Left to Right: Maureen O'Halloran, Dean Wood, Wendy Hulton, Lillian Pastuovic. Absent: Ray Battachio.

Float

Back Row: Miss L. Woods, Sandy Simpson, Andra Zutis, Susanne Eng, Kathy Wilson, Jill Tromanhauser, Dave Ratcliffe, Miss S. Sandlos. *Front Row:* Todd Jamieson, Sherry Butler, Tracey Andrews, Michelle Sallows, Karen Gee, Jill Heath, Cathy Le-Loff.

T.S.C.F.

This year the Christian Fellowship Group has about ten members. They meet every other Thursday at three thirty. This group goes on various trips over the school year. At Hallowe'en, some members went to Toronto on a "Great Pumpkin" hunt. This involved going on the subways, looking for clues etc. Even though they tried their best, they lost. Also planned this year was a "Winter Break Retreat" during the winter break. The members attended a recreational camp near Owen Sound. The camp had great speakers, movies, sports and crafts. This was quite enjoyable for those who attended. The group has occasional pot luck suppers, and they planned one for Christmas. At the end of the year they have an end of the year barbecue.

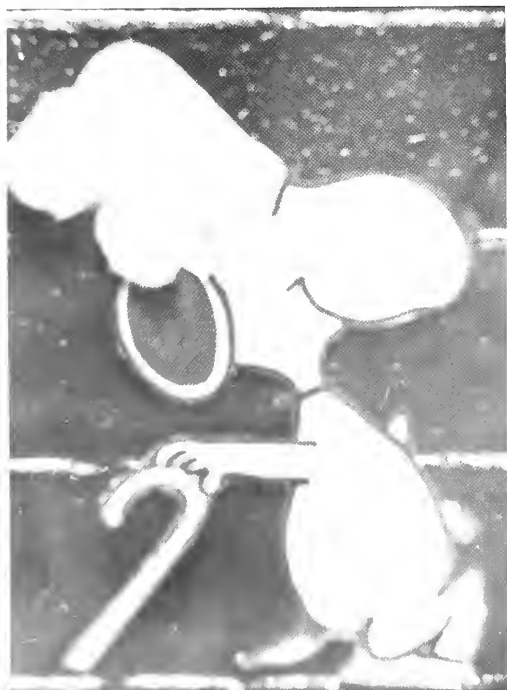

Back Row- Miss P. Fagan, Al Roy, Richard Smart, Greg Patchett, Pete Kawalski, Mr. R. Sherk. *Front Row-* Kathy Jones, Laura Stephenson, Maria Guarnieri. *Absent -* Mrs. Purnell.

Art

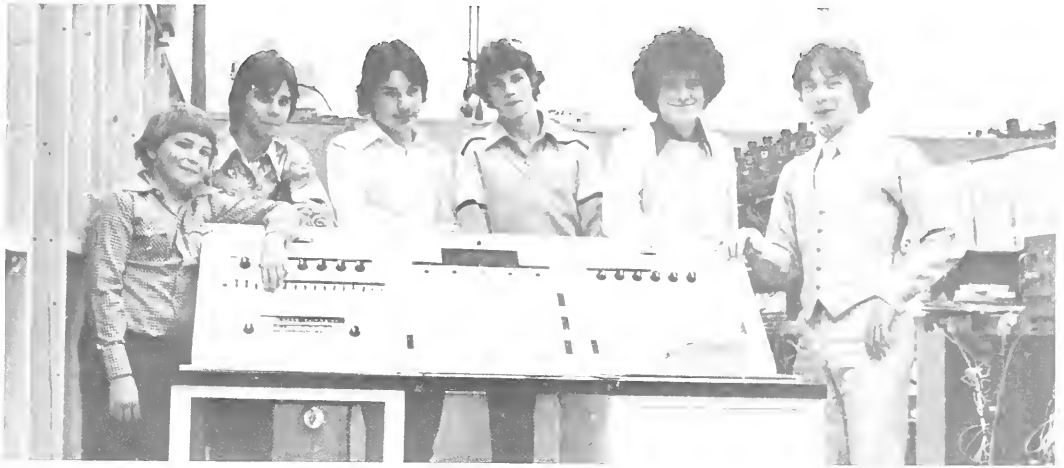

Back Row Mr. B. Wreford, Mike Harding. Front Row Karen Marshall. Absent Karen Post.

The art club meets on Wednesday afternoons. There are generally five or six people; and they indulge in pottery, water-colours, drawing and other crafts. Activities are held in Mr. Wreford's art room (T118). It is a time for people to relax and do their own thing in an informal atmosphere.

Electricity

Left to Right: Ken Nurse, Ian Reynolds, John Kooymans, Tom Meyer, John Ade, Frank Kadelec.

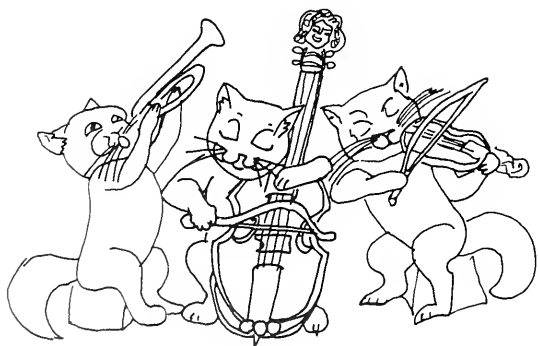

The White Oak's Electricity club's project this year is to repair the old school public announcement system. The goal of the club is to obtain a Micro-computer for the electricity department.

Senior Band

Back Row: Larry Crowe, Don Heath, John Kirkpatrick, Lee Sarrassin, Earl Catchpole, Louis Major, Steve Mussleman, Stewart Banyard, Ray Raiskums, Rick Thomson, Mr. F. Herlihey. *Middle Row:* Erik Vail, Russ Watson, Glendon Singleton-Wood, Jamie Walker, Kent Price, Laura Stephenson, Jenny Gammack. *Front Row:* Teresa Wark, Marcia Vanhartingsveldt, Pat McKee, A.J. Hadfield, Cindy Shackleton, Ann Brown, Helen Gordon, Karen Hodgins, Heidi Stadler, Dianne Chew, Karen Page. *Absentees:* Bonnie Francis, Craig Mullen.

Senior Band keeps busy with the usual assembly programmes such as the Remembrance Day Assembly, and the exchange with Nelson High School during November. The Band made a Public School appearance for Montclair. They performed in the Christmas Concert on December 19. Other assembly programmes have been held both at W.O.S.S. and other schools during 1979.

Stage Band

Sandi Cayer, Laura Stephenson, Stewart Catchpole, Doug Cameron, Louis Major, Lee Sarrasin, Larry Crowe, Earl Catchpole, Brian Noppe, Pete Slavin.
Absent: Craig Mullen.

Stage band is a small group of about fifteen players who are interested in jazz. They practice once a week for an hour after school. They perform at the annual Christmas and spring concerts at the school and also at other high schools in the area.

The Intermediate Band, directed by Miss Peace, consists of thirty students, from grades ten, eleven, and some advanced grade nine students. The band rehearses every Thursday after school, and performs for public schools, the Christmas Concert and other school activities. They play a wide and varied repertoire. Good Luck to all members of the band in future music endeavours.

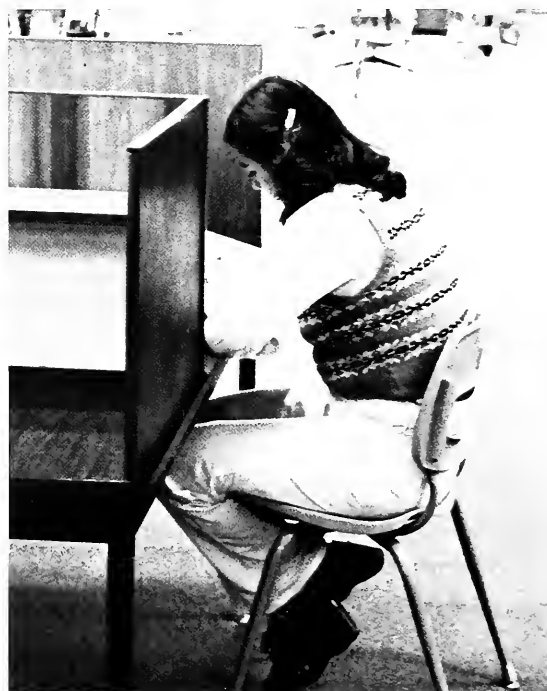

Library

Back Row: Mrs. H. Smith, Terry Lukas, Sharon Forster. Front Row: Jeff Burke, Craig Smart, Ivey Innes. Absent: Barb Panning, Leslie Hoyle.

Students who belong to the Library Club enjoy a variety of activities each year. They are able to participate in the functioning of the Resource Centre by assisting at the main desk and with other library routines. On occasion an excursion outside the school may be planned. Library meetings are held every second month on the first Thursday. Students interested in joining may inquire at the main desk in the Resource Centre.

This was the year that White Oaks staff and students first attempted to build a science club. The club was organized so that students could broaden their contact and have fun with science outside of the classroom.

The atmosphere was informal, and well-suited to students with similar interests, who liked exchanging ideas in a learning situation. Our autumn activities included team competition in the York University Science Olympics, the Great W.O.S.S. Glider Competition, which was open to the whole student body, and attending a lecture concerning recent discoveries about the planet Mars. Activities planned for the rest of this year include trips to the McLaughlin Planetarium, a nuclear power station, the 1979 Hamilton Science Fair, and additional lectures and observation of the upcoming partial eclipse of the sun.

General activities in which the Club will be involved in future will include projects intended for competition in the 1980 Hamilton Science Fair, some of which we hope to have under way this Spring, and will also include trips, films and speakers.

We look forward to growing with W.O.S.S. in the years ahead, and invite all interested students to join us next year, for a season of fun and new experiences.

Science Club

Back Row: Mr. F. Harry, Mr. B. Muhlstock. Front Row: Jeff Burke, Bob Fabich, Bill Denovan, Xenia Young, Doug Payne.

Yearbook

Back Row: Paul Rosser, Ian Glass, Jim Taylor, Miss G. Philp. *Middle Row:* Claire Law, Trish McManaman, Lynne Haskey, Leslie Gaspar. *Front Row:* Jane Yurchuk, Monica Sauer, Mr. A. Schoenborn. *Absent:* Kim Conrad, Angela Shreve, Mary Stout, Sue Wood.

The yearbook editors would like to thank all of the yearbook staff for their participation this year, and we would especially like to thank Miss Philp, Mr. Schoenborn and Monica Sauer for all of their invaluable assistance.

Student Corps

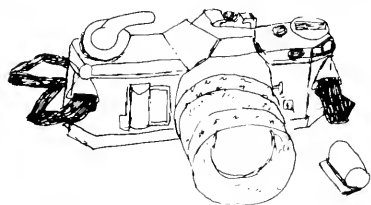

The Student Service Corps is a service organization of about thirty students, formed for the purpose of assisting the administration and the staff in tasks about the school. They may supervise junior classes on occasion; they assist at various extra-curricular activities such as Open House, Graduation, Parent-Teacher Interviews, Concerts and Drama Nights; they even assist in the campus clean up. Once or twice a year, they get together for a small party. Members are recommended by the staff for qualities of responsibility, reliability, leadership and academic achievement.

Camera

Left to Right Paul Roeser, Craig Smart, Bill Clarke, Geoff Wilson, Leslie Gaspar, Mr. Hadley.

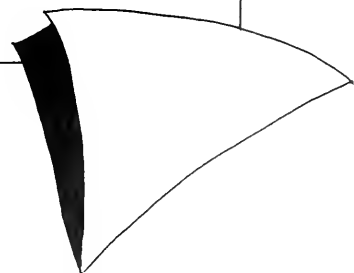

The photography club provides lessons in camera use, film developing and black and white printing. We take pictures for various organizations in the school and have our own darkroom for developing and printing. Various film strips on photographic techniques are viewed during the year. Staff advisors: Mr. Hadley, Miss Coryell, Miss Sandlos.

Drama

Pajama Game

White Oaks has long been known for an annual production of a musical, so successful and well done, that many have considered changing the name of the road upon which the school sits, to Broadway.

The latest production is in no way an exception to the rule. Pajama Game was thoroughly enjoyed by not only the 1,000 spectators it drew, but also by the 88 people involved — 40 actors and a stage and management crew that would put many a Broadway show to shame. In fact, working along side of Miss Peace this year was young Cally Warwick, a grade twelve student at the time, who carried out the duties of stage and acting director in splendid fashion. Cally, unfortunately, will not be at White Oaks for the next musical production.

Miss Warwick alone, nor any of the devoted staff involved, could make the production work, had it not been for the 'family atmosphere' shared by the cast. Shelagh Ford (broken leg and all), Steve Cannon, Dianne Kay, Doug Dorsey, Rob Mudryk, Joanne Huybers, Scott Souter, Anna Jean Hadfield and Bart Seaton, along with so many other special performers, pit band, and production crew, have all shared a rewarding time together that was enjoyed by one and all.

Those of us who worked hard at those night rehearsals, and weekend practises, found an endless satisfaction in seeing audiences sharing the excitement and success, the play brought to us all.

This play by J.B. Priestly takes place in Laburnum Grove, Shooters Green, which is a suburb of North London. The year is 1933. The principal characters are the Radfern's and their in-laws the Baxley's. The Baxley's are living off of borrowed money. The play involves some light humour and quick wit and was enjoyed by all who saw it.

The play ran from April 27th through April 29, and was a tremendous success. "Laburnum Grove" was the sixth production by our director Geoffrey Davies, and the second for our co-director Hamish Guthrie. The production involved nine actors and actresses, and a production staff of thirty. It was a great play and everyone involved worked hard . . . it paid off. By: Mary Stout.

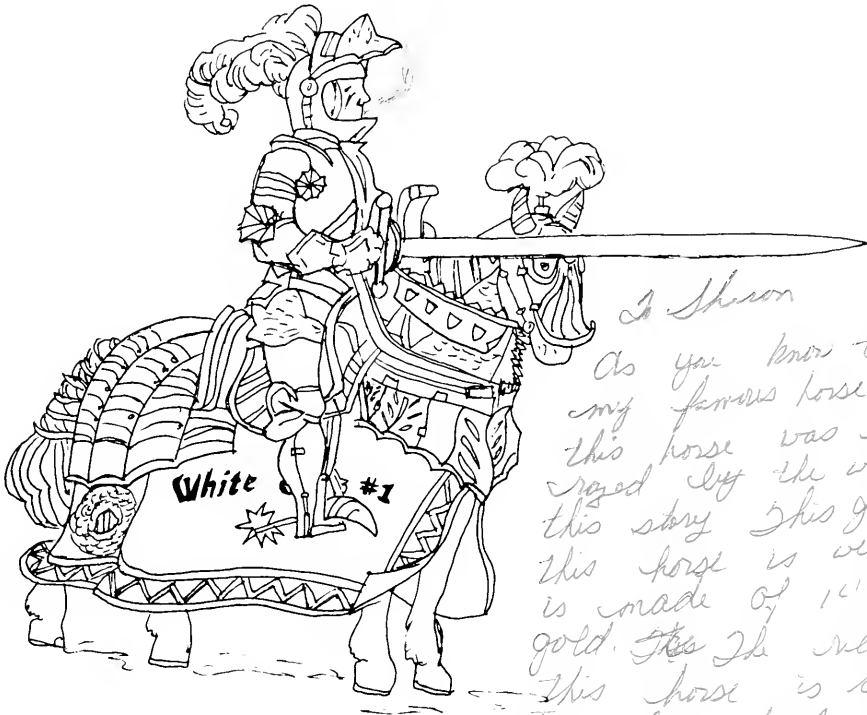

The Trysting Place

We are taking *The Trysting Place* to The Simpson's Drama Festival, which is a festival of plays open to all schools, both French and English in Ontario, and sponsored by Simpsons Department Store. We participate in the first round of the competition on March 1st 1979 at Clarkson Secondary School. (If we win that round, we show in Toronto at Hart House Theatre, sometime in April.) Schools from Thunder Bay, Sudbury, Timmins and other places in the North have been represented in the festival and have done very well in competition.

We're number Two!

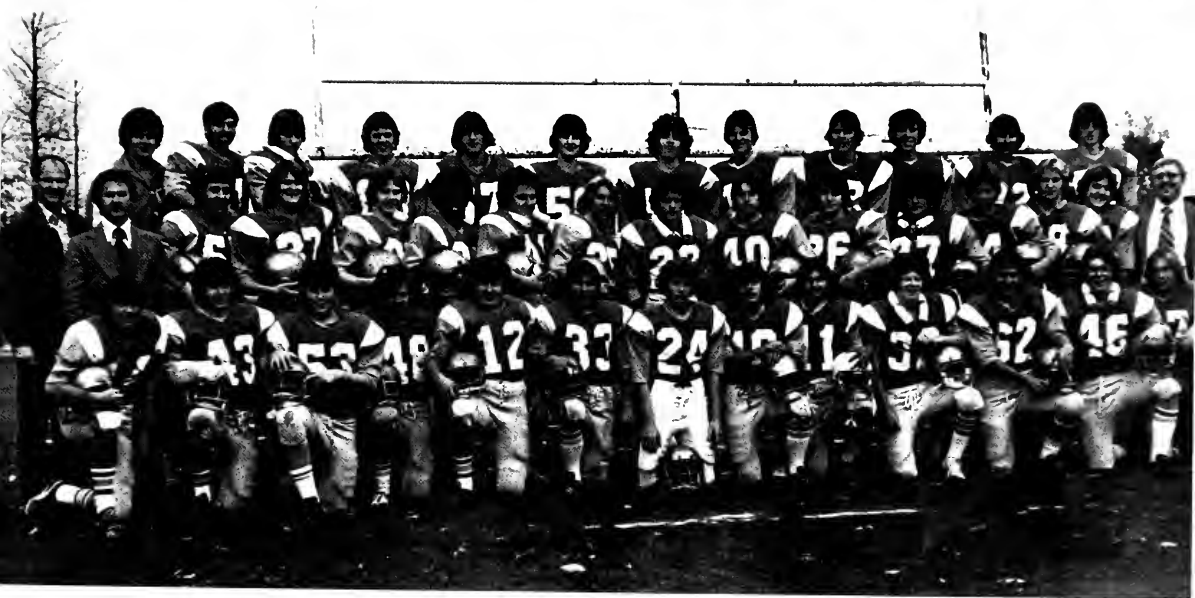

The Junior Football Team completed a most successful season by going all the way to the Ivor Wynn Championship Game in Hamilton! This was a *First* for any White Oaks Team since the championship was held at Ivor Wynne!

The team completed a long season to get to the League Final. It began with a

pre-season victory over a Toronto school. It continued with an eight game schedule where they won 6 and lost 2. Good for 3rd place in all Halton County. The exciting final game was won in the last 2 minutes at Aldershot who had beat White Oaks earlier in the year.

The championship game brought out

tremendous school spirit. Seventeen bus loads travelled to Ivor Wynne to cheer on the team. The school should be proud of their orderly behaviour and the way they enjoyed the day. Mr. Trodd, Mr. Roche, Mr. Delaney and the entire team should be congratulated for a job well done.

Looking around the dressing room after the game, there were just no words to describe the sheer hell we had been through. We had been out on that back field for two full months running, hitting and hurting, just trying to look like a football team, and yet it didn't come together for us.

What a football team is, and always will be, though, is good times, making good friends and good memories, and this year's senior team was all that.

Though we were a losing team, there were alot of outstanding individual performances, such as that of Scott DiAngelis, who put on a one man defensive showing in a few of the games, and the leadership of Big John Mandaric had to be deeply appreciated by the whole team.

Some word has to be said for the very brave, if not stupid, Jeff Creighton, who played the full year as quarterback with a severely injured back which had to be operated on immediately after the season. Chuck

Rice made some very memorable plays both as tight end and on the defense where he played one game as middle linebacker without any previous experience and did a great job. I would also like to thank the three other captains, Dave Lepa, Tom Sylema and Jeff Creighton for the job they did, which believe me, was not an easy or enviable one. They took alot of crap and yet really held the team together.

No words can really describe how much Mr. Tanner and Mr. Krawczyk have meant to me during my years at White Oaks, both as coaches, and as friends. They always went out of their way to help you if you had a problem and they were always happy to stay late and give you some tips on how to play your position, which they were asked to do all too infrequently this year. Two better coaches in the world there could not have been, and I shall always be grateful to them.

Last but not least, on behalf of the

team, I would like to thank the cheerleaders for their marvellous job which was highly unrewarding — they were out every night practising and out cheering for us in the rain and cold, while we were losing. Sarah and Dede did a really great job getting the team together, and some mention has to go to Sonja who cheered away with a broken arm.

If I could have mentioned everyone's names I would, but even if their names are not mentioned, they know how grateful I am to them and to everyone else involved with the team, and all the fans who supported us. I wish some better luck to next year's team, and if anyone were to ask me if it was all worth it, let me say that I would do it all again without hesitation, even if I knew it would turn out the same way.

The White Oaks wrestling team has over thirty boys competing this year. Last year the team was one of Ontario's best with Len Stevano and Pete Adams winning OFSSA placings in their weight classes. Again with Stevano and Adams leading the way, the team has won all three dual meets this year as well as placing in the top three in two tournaments. Also helping the cause are returning veterans; Andy Jones, Brian Huk, Al Roy, Evan Cato, Sean Lloyd, Bruce Houghton, Tim Grogan and Geoff Lyons.

The newcomers who have impressed us so far are; Brian McFadden, Chris Farrell, Frank Smith, David Sandberg, Roger Dutra, Mike Rutigliano and Richard Storey.

The team will compete in the Georgetown Invitational and the Nelson Invitational before competing in the Halton's Peel-Halton's and OFSSA championships in February and March.

PROCOR

GROWING WITH CANADA

RAIL CAR DIVISION: This Procor's largest division. Procor owns more than 12,000 railway freight cars leased to the nation's largest petroleum, chemical, food and mining companies. Many of our freight cars are of advanced technological design. Procor specializes in complete railway transportation systems, which include unit trains with automatic loading and unloading for continuous round-the-clock operation.

SULPHUR SERVICES DIVISION: This division specializes in the processing, handling and transportation of sulphur. Canada is the largest exporter of sulphur in the world. Sulphur dust can be an environmental nuisance and a hazard. To overcome this, Procor developed the Procor GX sulphur granule, a hard, round, smooth granule that is almost dust-free in mechanical handling, transportation and storage — and also important because it does not absorb moisture when exposed to the elements.

LPG STORAGE DIVISION: Procor stores Liquified Petroleum Gases in huge caverns which are built out of salt beds about one mile underground. The salt bed is necessary because LPG is unaffected by salt. Procor has built 8 of these caverns in Regina, Saskatchewan and 5 in Redwater, Alberta. Each cavern is capable of holding 16 million gallons of Liquified Petroleum Gas — propane or butane. These LPG storage facilities help smooth out supply and demand problems for producers, to ensure a controlled supply of LPG to customers in Canada and the USA.

CRANE SERVICES DIVISIONS: Procor has two large Crane Divisions. The Procor Crane Division based in Montreal serves Eastern Canada and several international markets including the USA, Europe and the Middle East. Procor's Sterling Crane Division based in Edmonton, Alberta serves the whole of Western Canada. Procor's two Crane Divisions represent the largest crane leasing service in North America.

Back Row: L to R: Melanie Wark, Selima Kramer, Joanne Sullivan, Carolyn Ambeau, Jane Sergas, Sonja Vankleef, Donna Irvine, Leanne Hunter, Shelley Fairfield, Tanya Harding. Top: Miss Luanberg.

The White Oaks gymnastics team expects to do very well this year. We go to competition in April and it's conceivable that the whole team will be eligible for the Halton championships. The junior team shows exceptional promise this year and we anticipate a great year.

Back Row, Left to Right: Mrs. B. Tough, Dan Reynolds, Max Bankes, Dave Dunn, Jeff Mailow, Chris Hunter, Jim Ritchie, Bruce Houghton, Mrs. L. Cahill. Front Row, Left to Right: Leanne Bell, Elaine Phillips, Jean Calder, Cindy Lalonde, Karen Tye.

Elimination matches were held the first week of school, and some fifty students played off for the 16 positions on the WOSS Tennis Team.

First tournament was held Sept. 20th; Juniors playing their matches at Bronte Provincial Park, and Seniors at Wallace Park.

In the Junior Division, *Elaine Phillips*, playing in the Girls Singles slot, lost in the finals to arch rival Tory Thomas of O.T.H.S. Both girls are ranked tennis players and show outstanding tennis ability.

Jeff Mailow, playing Jr. Boys Singles lost in the third round.

Jr. Girls Doubles team of *Karen Tye* and *Leanne Bell* had a real conflict with basketball and practice time on the tennis courts suffered accordingly. Although they didn't get through to finals the girls showed good spirit in competition.

Jr. Boys Doubles Team of *Dan Reynolds* and *Max Bankes* demonstrated fine tournament play and fought hard. They didn't make the winner's circle this year but predictions are strong for next year.

Karen Page and *Don Glover* were a strong team in our Mixed Doubles entry, but faced stiff opposition early in the competition and did not advance to the finals.

In the Senior Division *Jean Calder* was the champion in the Girls Singles event, and went on to compete at the Peel-Halton Tournament. She did not lose a set on her way to the title.

Senior Girls Doubles team of *Linda McCleery* and *Lisa Belford* was defeated second round. Both girls played on the WOSS tennis team last year, but in different positions. Lisa was a winner at the Halton meet last year and we will be sorry to lose her from White Oaks.

James Ritchie and *Chris Hunter* played out of their age group to compete in Senior Boys Doubles. Though they didn't place this year they'll have the opportunity to try again in 79.

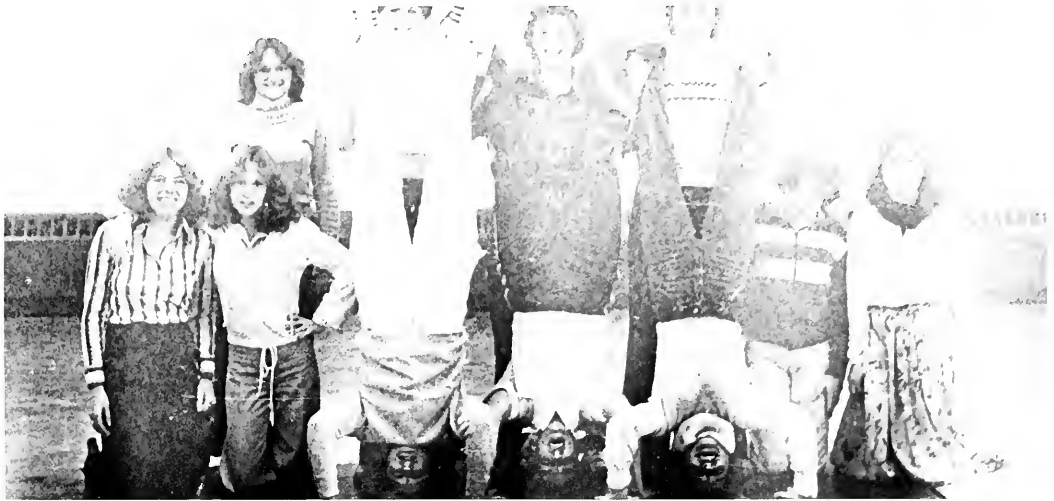

The Mixed Doubles Team of *Cindy Lalonde* and *Dave Bochman* were finalists and almost squeaked out a win when they played a strong team at Wallace Park.

The Peel-Halton Tournament took place Sept. 27th at Burlington Racquet Club. Our entries of *Jean Calder* in Sr. Girls Singles, and *Cindy Lalonde* and *Dave Bochman* in Mixed Doubles lost in the semifinal round. Jean lost to a player ranked nationally.

Best showing was made by *Elaine Phillips* in Jr. Girls Singles. She played a three hour match before losing the finals 5-7 in the third set.

Field Hockey

Back Row: Cindy Werners, Mary Vennor, Carrie Best, Cathy Sterling. *Front Row:* Idona Hanna, Chris Clarke, Jane Corrigan, Miss Whittaker, Madelaine Hunter, Helen Hunter, Caroline Solenenko.

The girl's field hockey team had a very successful season this year, winning all their exhibition games and staying undefeated in tournament play. The girl's beat Blakelock 2-1, O.T. 1-0, Lord Elgin 1-0, and M.M. Robinson 1-0, in preseason games.

At the Halton Tournament held at Shell Park, the team defeated Lester B. Pearson, 1-0, and tied Lord Elgin and Nelson. Unfortunately the team could not advance to the finals as Lord Elgin had won two games.

Congratulations to all of the girls on the team for a fine season and excellent effort.

Special thanks to "Mo" from the team for such a great season.

Once again the swim team has had a very successful year. Major meets have included the York Yoewoman's Invitational, the Cedarbrae Invitational, the Halton and Peel-Halton Championship meets, the OFSAA Meet and the Annual Kiwanis Meet.

For the third time in four years the team was out-touched in the Kiwanis overall championships. The boy's team, however, was successful in placing second at the York Meet and winning the boy's championship at the Kiwanis Meet.

Cross-Country

The 1978 cross-country season was fairly successful in terms of achievement, but the most important factor this year was the number of students competing. The first meet this year was held in Acton, where strong races were put in by; Chris McKay, who finished first in senior girls, and Leanne Crowe who finished second in midget girls, Rob Kay who placed third in junior boys. The next meet held was at White Oaks, where we were very successful. Good races were had by Brian Bisson, Andy Jones, Rob Kay, Chris McKay and Leanne Crowe.

The following meet was held at Erindale College. In the midget boys Paul Fagan finished a strong seventh in a very competitive race, Andy Jones was second and Rob Kay placed ninth. In the midget girls race Leanne Crowe was third and Sandra McGirr placed tenth. In the senior boys race many of the juniors won again. These included; Andy Jones, who was second in senior, Rob Kay who was ninth in senior, Stuart Hahn who was fifteenth and Tim Armstrong twenty-first. A meet was held in Kitchener. The top four finishers in the midget category for White Oaks were; Paul Fagan, Dave Barker, Doug Cameron and Rob Bunny. In the junior boy's race Tim Armstrong and Roger Dutra had also done well. In the girl's race Heather McKay and Marissa Boudreau were both in the top fifty.

At the Hattens, held at Kelso, our midget girls were third as a team and were led by Leanne Crowe who was eleventh. Our junior girl's were fourth, led by Chris McKay who placed tenth. Our senior girl's were fifth lead by Lisa Macheh who was twenty-sixth.

The midget boys were lead by Paul Fagan who placed thirteenth. Our junior boys were second lead by; Andy Jones, Rob Kay and Stuart Hahn, tenth, eleventh, and thirteenth respectively. The senior boys were second as well, lead by Brian Bisson who was third.

The following week at Hart Lake the Peel-Haltons were held. None of our teams qualified for the Ontario Championships, but some fine individual finishes were recorded; Brian Bisson won and is the present Peel-Halton senior cross-county champion. Other finishes included; Chris McKay ninth in senior girls and Leanne Crowe tenth in senior girls. An excellent finish for a midget girl in a senior race. In junior boys Andy Jones was eighth and Rob Kay fourteenth.

Brian Bisson, Andy Jones, and Chris McKay all qualified for the Ontario Championship in their respective class. Brian finished tenth, and Andy Jones finished forty-fifth. Chris McKay had her problems with the very difficult course. The cross-country team would like to thank Mr. McCaughlin and Mr. Burt for their efforts in organizing and coaching the team to a successful season.

Mr. McBurney

The lunch pail and the camera are missing from the halls of W.O.S.S. this year. From September 1971 to June 1978, these two items were frequently seen along with a 6'0" frame that ambled toward the gym, or staff dinning room. This same figure is no longer seen leaning against the stage in the cafetorium during the three lunch periods, nor are the football games the same without this lean frame that was frequently found to be there. This frame belonged to a man who had been seen at most evening functions involving students. This man who was able to raise his voice to great levels when speaking to some "deliquent" student, but the same voice would be more than willing to go the extra mile to help a needy student along the way.

W.O.S.S. for eight years was fortunate to have had a vice-principal who had those characteristics which are essential for success in that role. That ability to change "hats" as the role dictated, and to have the respect of all students for his fairness and dedication to the students of this school.

We all miss you Mr. McBurney, and thank you for your guiding hands.

You know it is hard for me to let go of almost the end of the year. Looking back on the past year I realized how many times you troubled me with all my problems. You have always given me good advice. I think I would have been doing without you. I kept me laughing when I felt like crying. I want to see you sometime over the summer. Keep smiling.  I'll even though the sun is not shining.

I really enjoyed meeting you this year. To bad we didn't get to know each other better. Oh well. (ha, ha, ha) We have had great times together this year. Roller-skating, log huntings and also the main attraction the punks down in the old town. (Mississauga). Dave, Donny, Dave, Pat, Sandy, Tom, Gary, Rob the "Fonz", and all the rest. It was fun on Sunday night. What a laugh ay! watching the pro girl pecker upers. I hope things work out with you and whoever it is this week. Paul G. is hop at me. this was very considerate of you to leave me the whole page because I'm gonna need it. How's whoever H.A.A.P.R. this week you shure were last weekend. That's for Shure. Next year I hope to have you as a best friend again. (and Heath.) We all have our fights but we never have anything to break us (3 musketeers) Heather, Sharon, and last but not your friend for life. I'm ~~not~~ writing it's just a promise I don't have any lines as you can see. May all you ups and downs be in bed. (with whom is the question) and may all your courses be inter.
